PROFESSIONAL EXPERIENCE

Solo Product Designer & Developer · Aevi (Personal Project)

March 2026 – Present | myaevi.app | React Native · Expo · Supabase · Stripe · Claude AI

- Designed and shipped a live AI companion app on Google Play entirely solo, owning product strategy, UX design, and delivery using AI-assisted development tools (Claude, Cursor).
- Shipped complete feature set: AI chat with memory, private journaling, weekly insights dashboard, and Stripe paywall (Plus €9/mo, Pro €19/mo) with full Supabase auth flow.
- Launched closed beta with 35 testers in week one, actioning feedback within 48 hours; grew waitlist to 247+ signups.

Web Designer & Developer · Reinexcia Tech · Contract

May 2026 – June 2026 | reinexciatech.com

- Designed and developed reinexciatech.com using Next.js, Tailwind CSS, Framer Motion, and GSAP, featuring a particle network hero, animated interactions, and full Vercel deployment.

UX/Product Designer · Reinexcia Tech · Contract

July 2025 – January 2026

- Sole designer on AskFritz, an AI-powered B2B SaaS platform: set design strategy, led research, and shipped production-ready interfaces independently in an agile environment.
- Built extensible Figma design system (WCAG 2.1 AA) reducing iteration cycles by 25%; card sorting and tree testing improved task success rate by 35% and reduced navigation steps from 8 to 5.

UX/UI Designer · Reva Interiors · Freelance

November 2022 – February 2023

- Led end-to-end product design for an early-stage startup contributing to €1.5M first-year revenue; 15 customer interviews translated into clear IA and trust-building interface patterns.
- Built scalable Figma component library (50+ components, WCAG 2.1 AA), reducing handoff time by 30%.

Machine Learning Associate – UX Design · Amazon Alexa Ads

August 2018 – October 2019 | Hyderabad, India

- Redesigned ML workflow tooling for 50+ annotation specialists via contextual inquiry, reducing annotation time by 20% and error rate by 15%.
